```javascript
var inputBox=document.getElementById("one");
var content=document.getElementById("content");
function adding()
{
    if(inputBox.value === ''){
        alert("Write something");
    }
    else{
        var li=document.createElement("li");
        li.innerHTML=inputBox.value;
        content.appendChild(li);
        var span = document.createElement("span");
        span.className = "delete";
        li.appendChild(span);

    }
    inputBox.value=''
    save();
}
content.addEventListener("click",function(event){
    if(event.target.tagName === "LI")
    {
        event.target.classList.toggle("checked");
        save();
    }
    else if (event.target.classList.contains("delete"))
    {
        event.target.parentElement.remove();
        save();
    }
},false);
function save()
{
    localStorage.setItem("data",content.innerHTML);
}
function show()
{
    content.innerHTML=localStorage.getItem("data");
}
show();
```
